HIGH SPIRITS

Whether little one, tweenager or grown up, the festive season brings out more sides of us than ever. The party side, the cosy (if slightly chaotic) family Christmas side, the enchanted side and the can't-sleep-with-excitement side.

This year, our kids' collection is designed to enhance that feeling of magic. With cool, contemporary partywear that's sprinkled with delightful details, to Christmas Day outfits woven with a sense of nostalgia, these heirloom-worthy pieces are designed to make memories that last a lifetime.

FULL OF WONDER

Inspired by the winter fairies of storybooks and ballets, this collection is designed to make an impact. Featuring iridescent sequins, twirl-worthy tulle and contemporary Christmas knits, it's all about making everyday dressing a joy.

A photograph of two children, a boy and a girl, sitting side-by-side. They are both wearing red and white patterned Christmas sweaters. The boy on the left has curly brown hair and is wearing a headband with gold reindeer antlers, green holly leaves, and a red bow. The girl on the right has long dark hair and is wearing a headband with gold stars, green holly leaves, and red and pink pom-poms. They are both looking towards the right with slight smiles. The background is a plain white wall with a decorative molding.

FULL OF EXCITEMENT
